ELECTRONIC FUNDS TRANSFER AGREEMENT AND DISCLOSURE

This Electronic Funds Transfer Agreement is the contract which covers your and our rights and responsibilities concerning the electronic funds transfer (EFT) services offered to you by AmeriCU Credit Union ("credit union"). In this agreement, the words "you" and "yours" mean those who sign the application or account card as applicants, joint owners, or any authorized users. The words "we," "us," and "our" mean the credit union. The word "account" means any one or more share savings and checking accounts you have with the credit union. Electronic funds transfers are electronically initiated transfers of money from your account through the EFT services described below. By signing an application or account card for EFT services, signing your card, or using any service, each of you, jointly and severally, agree to the terms and conditions in this agreement and any amendments for the EFT services offered.

1. **EFT SERVICES** - If approved, you may conduct any one or more of the EFT services offered by the credit union.

a. **Visa Check Card.** You may use your card to purchase goods and services from participating merchants. If you wish to pay for goods or services over the Internet, you may be required to provide card number security information before you will be permitted to complete the transaction. You agree that you will not use your card for any transaction that is illegal under applicable federal, state, or local law. Funds to cover your card purchases will be deducted from your account. If the balance in your account is not sufficient to pay the transaction amount, the credit union will pay the amount and treat the transaction as a request to transfer funds from other deposit accounts, approved overdraft protection accounts or loan accounts that you have established with the credit union. If you initiate a transaction that overdraws your account, you agree to make immediate payment of any overdrafts together with any service charges to the credit union. In the event of repeated overdrafts, the credit union may terminate all services under this agreement. You may use your card and personal identification number (PIN) in ATMs of the credit union, NYCE, Cirrus, AFFN, Visa, MasterCard, Novus, Quest, CO-OP networks, and such other machines or facilities as the credit union may designate. In addition, you may use your card without a PIN for certain transactions on the Visa and NYCE networks. However, provisions of this Agreement relating to Visa transactions do not apply to transactions processed through non-Visa networks. To initiate a Visa Debit transaction, you may sign a receipt, provide a card number or swipe your card through a point-of-sale (POS) terminal and choose to route the transaction over a Visa network. Please refer to the Member Liability section of this Agreement for terms and conditions. At the present time, you may also use your card to:

- Make deposits to your share savings and checking accounts at certain proprietary (AmeriCU owned) ATMs.
- Withdraw funds from your share savings and checking accounts.
- Transfer funds from your share savings and checking accounts.
- Obtain balance information for your share savings and checking accounts.
- Make loan payments from your share savings and checking accounts at certain proprietary (AmeriCU owned) ATMs.
- Make point-of-sale (POS) transactions with your card and personal identification number (PIN) to purchase goods or services at merchants that accept Visa.
- Order goods or services by mail or telephone from places that accept Visa.
- Cash an approved payroll check at certain proprietary (AmeriCU owned) ATMs.
- Make Visa cash advances.

The following limitations on the frequency and amount of Visa Check Card transactions may apply:

- You may make up to twelve (12) Visa Check Card purchases and/or authorizations per day.
- You may withdraw and/or purchase up to a maximum of \$1,000 in any one day from an ATM machine and/or POS terminal, if there are sufficient funds in your account.
- For security purposes, there are other limits on the frequency and amount of transfers available at ATMs.
- You may transfer up to the available balance in your accounts at the time of the transfer.
- See Section 2 for transfer limitations that may apply to these transactions.
- Check Cashing at AmeriCU ATM: three (3) checks and up to \$1,000 cash back on each (approved) check.
- Account must be in good standing with the credit union.

Having a good address on our system is vital for AmeriCU Credit Union to be able to send monthly statements and/or contact you about your account. If we receive any statement back from the U.S. Postal Service that was undeliverable to the address on the system, your account will automatically be flagged for a "bad address". The system will automatically shut down your VISA Check Card until we receive a valid address from you in writing and with your signature.

b. **HSA Checking.** If you will be using your debit card to access a Health Savings Account (HSA), portions of this Agreement governed by Regulation E will not apply. A HSA account as defined by the IRS is a trust account, and therefore is not covered under Reg E. But portions of this Agreement such as Visa "O" liability for unauthorized use for example, does apply. Funds to cover your card purchases will be deducted from your HSA checking account. You may use your card and personal identification number (PIN) in ATMs of the Credit Union, and such other machines or facilities as the Credit Union may designate. At the present time, you may also use your card to:

- Withdraw funds from your HSA checking account.
- Obtain balance information for your HSA checking account.

The following limitations on the frequency and amount of HSA Checking transactions may apply:

- You may make up to twelve (12) Visa HSA Check Card purchases and/or authorizations per day.
- You may withdraw and/or purchase up to a maximum of \$1,000 in any one day from an ATM machine and/or POS terminal, if there are sufficient funds in your account.
- You may transfer up to the available balance in your accounts at the time of the transfer.

- Withdraw funds from your loan, Money Market, Club, and share savings and checking accounts.
- Transfer funds from your Money Market, Club, and share savings and checking accounts.

- Maximum of eight (8) minutes per call.
- See Section 2 for transfer limitations that may apply to these transactions.

All checks are payable to you as a primary member and will be mailed to your address of record. The credit union may set other limits on the amount of any transaction, and you will be notified of those limits. The credit union may refuse to honor any transaction for which you do not have sufficient available verified funds. You must notify us orally or in writing at any time up to three (3) business days before the scheduled date of the transfer. We may require written confirmation of the stop payment order to be made within fourteen (14) days of any oral notification. If we do not receive the written confirmation, the oral stop payment order shall cease to be binding fourteen (14) days after it has been made.
- **Notice of Varying Amounts.** If these regular payments may vary in amount, the person you are going to pay is required to tell you, ten (10) days before each payment, when it will be made and how much it will be. e. **Electronic Check Conversion/Electronic Returned Check Fees.** If you pay for purchases or bills with a check, you may authorize your check to be converted to an electronic funds transfer. You may also authorize merchants or other payees to electronically debit your account for returned check fees. You are considered to have authorized these electronic funds transfers if you complete the transaction after being told (orally or by a notice posted or sent to you) that the transfer may be processed electronically or if you sign a written authorization.

f. **Online Services.** If we approve Online Services for your accounts, a separate personal identification number (PIN) will be assigned to you. All checks are payable to you as a primary member and will be mailed to your address of record. We may set other limits on the amount of any transaction, and you will be notified of those limits. We may refuse to honor any transaction for which you do not have sufficient available verified funds. g. ONLINE BILL PAY

Account Designation and Payees.

Bill Payments you make through ONLINE BILL PAYMENT will be deducted from your designated funding account. Any payee you wish to pay through ONLINE BILL PAY must be located in the United States, and funds will be payable in U.S. Dollars. Each payee must appear on the payee list you create, and the account from which payments are made must be in your name. You may not use ONLINE BILL PAYMENT to make payments to a federal, state or local governmental or tax unit, or to other categories of payees that are established from time to time.

Online Bill Payment Processing.

Funds will be deducted from your designated funding account on the Scheduled Initiation Date entered by you. In many cases, your Bill Payments will be electronically delivered to the payee within two (2) business days of the Scheduled Initiation Date. However, some payees are not able to accept electronic payments. In these cases, a check will be sent, which may take up to five (5) business days to process and deliver to the payee. ONLINE BILL PAY provides an indication of the number of days you must allow for a payment to reach each payee you designate.

You must allow sufficient time (two or five business days, as indicated above) for ONLINE BILL PAY to receive your request and process the Bill Payments so that the funds can be delivered to the payee before the payment due date. You understand that, if you do not allow sufficient time, you will assume full responsibility for all late fees, finance charges, or other actions taken by the payee. If you schedule a payment with sufficient time and the payment was not received by the payee or was received late, ONLINE BILL PAY Customer Service will assume responsibility.

ONLINE BILL PAY Customer Service is responsible only for exercising ordinary care in making payments upon your authorizations and for mailing or sending a payment to the designated payee. AmeriCU Credit Union is not liable in any way for damages you incur if you do not have sufficient funds in your account to make the payment on the processing date, if the estimate of time to allow for delivery to the payee is inaccurate, or due to delays in mail delivery, changes of merchant address or account number, the failure of any merchant to account correctly for or credit the payment in a timely manner, or for any other circumstances beyond the control of AmeriCU Credit Union.

ONLINE BILL PAY Customer Service will attempt to notify you by telephone on the Scheduled Initiation Date if a Bill Payment is not processed because there are insufficient funds available in your account. AmeriCU Credit Union is not responsible if ONLINE BANKING customer service is unable to reach you, whether or not this is due to events beyond the control of ONLINE BILL PAYMENT customer service. Moreover, to take advantage of this service, you understand that you must notify ONLINE BILL PAYMENT Customer Service and AmeriCU Credit Union of any changes in your current home or business phone numbers. In any event, you are responsible for either making alternate arrangements for the payment, or rescheduling the payment through ONLINE BILL PAYMENT.

In no cases will a payment be automatically resubmitted after funds have become available.

2. TRANSFER LIMITATIONS - For all share savings accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed.

3. CONDITIONS OF EFT SERVICES -

a. Ownership of Cards. Any card or other device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the card, immediately according to instructions. The card may be repossessed at any time at our sole discretion without demand or notice. You cannot transfer your card or account to another person.

b. Honoring the Card. Neither we nor merchants authorized to honor the card will be responsible for the failure or refusal to honor the card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.

c. Foreign Transactions. Visa. Purchases and cash withdrawals made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa from a range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives or the government-mandated rate in effect for the applicable central processing date. The exchange rate used on the processing date may differ from the rate that would have been used on the purchase date or cardholder statement posting date.

A fee of 1.00 percent of the amount of the transaction, calculated in U.S. dollars, will be imposed on all multiple currency foreign transactions, including purchases, cash withdrawals and credits to your account. A fee of .08 percent of the amount of the transaction, calculated in U.S. dollars, will be imposed on all single currency foreign transactions, including purchases, cash withdrawals and credits to your account. A foreign transaction is any transaction that you complete or a merchant completes on your card outside of the United States, with the exception of U.S. military bases, U.S. territories, U.S. embassies or U.S. consulates.

d. Security of Access Code/PIN. You may use one or more access/pin codes with your electronic funds transfers. The access codes issued to you are for your security purposes. Any codes issued to you are confidential and should not be disclosed to third parties or recorded on or with the card. You are responsible for safekeeping your access codes. You agree not to disclose or otherwise make your access codes available to anyone not authorized to sign on your accounts. If you authorize anyone to use your access codes, that authority shall continue until you specifically revoke such authority by notifying the credit union. You understand that any joint owner you authorize to use an access code may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of these access codes and the credit union suffers a loss, we may terminate your EFT services immediately.

e. Joint Accounts. If any of your accounts accessed under this agreement are joint accounts, all joint owners, including any authorized users, shall be bound by this agreement and, alone and together, shall be responsible for all EFT transactions to or from any share savings and checking accounts or loan accounts as provided in this agreement. Each joint account owner, without the consent of any other account owner, may, and is hereby authorized by every other joint account owner to make any transaction permitted under this agreement. Each joint account owner is authorized to act for the other account owners, and the credit union may accept orders and instructions regarding any EFT transaction on any account from any joint account owner.

4. FEES AND CHARGES - There are certain fees and charges for EFT services. For a current listing of all applicable fees, see our current Fee Schedule that was provided to you at the time you applied for or requested these electronic services. From time to time, the charges may be changed. We will notify you of any changes as required by applicable law.

If you use an ATM not operated by us (non-proprietary), you may be charged a fee by the ATM operator and by any national, regional, or local network used in processing the transaction (and you may be charged a fee for a balance inquiry even if you do not complete a funds transfer). The ATM surcharge will be debited from your account if you elect to complete the transaction or continue with the balance inquiry.

5. MEMBER LIABILITY - You are responsible for all EFT transactions you authorize. If you permit someone else to use an EFT service, your card or your access code, you are responsible for any transactions they authorize or conduct on any of your accounts.

TELL US AT ONCE if you believe your card has been lost or stolen or if you believe someone has used your card or access code or otherwise accessed your accounts without your authority, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If a transaction was made with your card or card number without your permission, and was either a Visa or Interlink transaction, you will have no liability for the transaction, unless you were grossly negligent in the handling of your account or card. For all other EFT transactions, including ATM transactions or if you were grossly negligent in the handling of your account or card, your liability for an unauthorized transaction is determined as follows.

If you tell us within two (2) business days you can lose no more than \$50 if someone used your card without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card, and we can prove we could have stopped someone from using your card without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, **TELL US AT ONCE**. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods. If you believe your card has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call:

(800) 449-7728 or (800) 388-2000

or write to:

AmeriCU Credit Union
Attn: ATM/Debit Card Department
1916 Black River Blvd
Rome, NY 13440
Fax: (315) 356-3434

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

6. RIGHT TO RECEIVE DOCUMENTATION -

a. **Periodic Statements.** Transfers and withdrawals made through any debit card transactions, audio response transactions, preauthorized EFTs, online/PC transactions or bill payments you make will be recorded on your periodic statement. You will receive a statement monthly unless there is no transaction in a particular month. In any case, you will receive a statement at least quarterly.

b. **Terminal Receipt.** You can get a receipt at the time you make any transaction (except inquiries) involving your account using an ATM and/or point-of-sale (POS) terminal.

c. **Direct Deposit.** If you have arranged to have a direct deposit made to your account at least once every sixty (60) days from the same source and you do not receive a receipt (such as a pay stub), you can find out whether or not the deposit has been made by calling Telelink: (800) 232-4300 or (315) 337-4373 or visit www.americu.org or call the Member Service Center at (800) 388-2000 or (315) 356-3000. This does not apply to transactions occurring outside the United States.

7. **ACCOUNT INFORMATION DISCLOSURE** - We will disclose information to third parties about your account or the transfers you make:

- As necessary to complete transfers;
- To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant;
- If your account is eligible for emergency cash and/or emergency card replacement services, and you request such services, you agree that we may provide personal information about you and your account that is necessary to provide you with the requested service(s);
- To comply with government agency or court orders; or
- If you give us your written permission.

8. **BUSINESS DAYS** - Our business days are Monday through Friday, excluding holidays.

9. **CREDIT UNION LIABILITY FOR FAILURE TO MAKE TRANSFERS** - If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we may be liable for your losses or damages. However, we will not be liable for direct or consequential damages in the following events:

- If, through no fault of ours, there is not enough money in your accounts to complete the transaction, if any funds in your accounts necessary to complete the transaction are held as uncollected funds pursuant to our Funds Availability Policy, or if the transaction involves a loan request exceeding your credit limit.
- If you used your card or access code in an incorrect manner.
- If the ATM where you are making the transfer does not have enough cash.
- If the ATM was not working properly and you knew about the problem when you started the transaction.
- If circumstances beyond our control (such as fire, flood, or power failure) prevent the transaction.
- If the money in your account is subject to legal process or other claim.
- If funds in your account are pledged as collateral or frozen because of a delinquent loan.
- If the error was caused by a system of any participating ATM network.
- If the electronic transfer is not completed as a result of your willful or negligent use of your card, access code, or any EFT facility for making such transfers
- If the telephone or computer equipment you use to conduct audio response or online/PC transactions is not working properly and you know or should have known about the breakdown when you started the transaction.
- If you have bill payment services, we can only confirm the amount, the participating merchant, and date of the bill payment transfer made by the credit union. For any other error or question you have involving the billing statement of the participating merchant, you must contact the merchant directly. We are not responsible for investigating such errors.
- Any other exceptions as established by the credit union.

10. **NOTICES** - All notices from us will be effective when we have mailed them or delivered them to your last known address in the credit union's records. Notices from you will be effective when received by the credit union at the address specified in this agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least twenty-one (21) days before the effective date of any change. Use of this service is subject to existing regulations governing the credit union account and any future changes to those regulations.

The following information is a list of safety precautions regarding the use of ATMs and night deposit facilities.

- Be aware of your surroundings, particularly at night.
- Consider having someone accompany you when the ATM or night deposit facility is used after dark.
- Close the entry door of any ATM facility equipped with a door. Note that activity within an ATM is recorded by a surveillance camera.
- If another person is uncomfortably close to you at the time of your transaction, ask the person to step back before you complete your transaction. If it is after the regular hours of the financial institution and you are using an ATM, do not permit entrance to any person you do not know.
- Refrain from displaying your cash at the ATM or night deposit facility. As soon as your transaction is completed, place your money in your purse or wallet. Count the cash later in the safety of your car or home.

- If you notice anything suspicious at the ATM or night deposit facility, consider using another ATM or night deposit facility or coming back later. If you are in the middle of a transaction and you notice something suspicious, cancel the transaction, take your card or deposit envelope, and leave.
- If you are followed after making a transaction, go to the nearest public area where people are located.
- Do not write your personal identification number (PIN) or access code on your ATM card.
- Report all crimes to law enforcement officials immediately. If emergency assistance is needed, call the police from the nearest available public telephone.
- Please direct any comments or complaints regarding ATM security to the credit union or the New York State Banking Department at 212-618-6642.

11. BILLING ERRORS - In case of errors or questions about electronic funds transfers from your share savings and checking accounts, or if you need more information about a transfer on the statement or receipt, telephone us at the following number or send us a written notice to the following address as soon as you can. We must hear from you no later than sixty (60) days after we sent the first statement on which the problem appears. Call us at:

(315) 356-3000

or write to:

AmeriCU Credit Union
1916 Black River Blvd
Rome, NY 13440
Fax: (315) 336-4546

- Tell us your name and account number.
- Describe the electronic transfer you are unsure about and explain, as clearly as you can, why you believe the credit union has made an error or why you need more information.
- If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error has occurred within ten (10)* business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45)** days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10)* business days for the amount you think is in error so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

We will tell you the results within three (3) business days of completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

* If you give notice of an error within thirty (30) days after you make the first deposit to your account, we will have twenty (20) business days instead of ten (10) business days to investigate the error.

** If you give notice of an error within thirty (30) days after you make the first deposit to your account, notice of an error involving a POS transaction, or notice of an error involving a transaction initiated outside the U.S., its possessions and territories, we will have ninety (90) days instead of forty-five (45) days to investigate the error.

NOTE: If the error you assert is an unauthorized Visa transaction, other than a cash disbursement at an ATM, we will credit your account within five (5) business days unless we determine that the circumstances or your account history warrant a delay, in which case you will receive credit within ten (10) business days.

12. TERMINATION OF EFT SERVICES - You may terminate this agreement or any EFT service under this agreement at any time by notifying us in writing and stopping your use of your card and any access code. You must return all cards to the credit union. You also agree to notify any participating merchants that authority to make bill payment transfers has been revoked. We may also terminate this agreement at any time by notifying you orally or in writing. If we terminate this agreement, we may notify any participating merchants making preauthorized debits or credits to any of your accounts that this agreement has been terminated, and that we will not accept any further preauthorized transaction instructions. We may also program our computer not to accept your card or access code for any EFT service. Whether you or the credit union terminates this agreement, the termination shall not affect your obligations under this agreement for any electronic transactions made prior to termination.

13. GOVERNING LAW - This agreement is governed by the bylaws of the credit union, federal laws and regulations, the laws and regulations of the state of New York, and local clearinghouse rules, as amended from time to time. Any disputes regarding this agreement shall be subject to the jurisdiction of the court of the county in which the credit union is located.

14. ENFORCEMENT - You are liable to us for any losses, costs or expenses we incur resulting from your failure to follow this agreement. You authorize us to deduct any such losses, costs or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post-judgment collection actions.
